

Hello everyone!

At the beginning of the 2025 school year, my pupils will lead a project "Around the world".

To make them travel during the school year, I would like my students to receive postcards from all over the world! It is an opportunity to discover new places, do researches, open up their minds to other cultures.

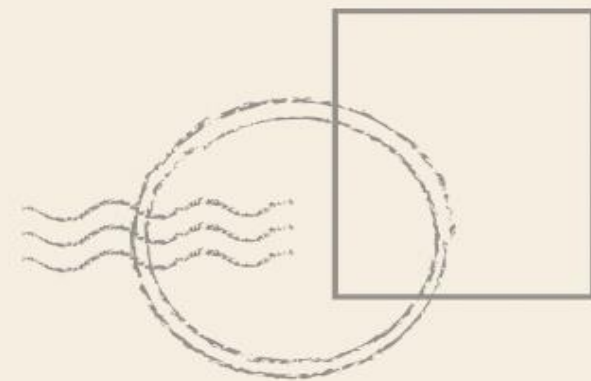

The postcards will be hung on the wall and connected to a giant planisphere!

So, if you, a friend or colleague of yours, live abroad, or if you have the opportunity to travel this summer or during the year, my class would be delighted to receive a postcard from this place.

The children will gladly answer if you give your address :-)

Thank you very much for them!
