HI GUYS, MARIA HERE!

In my classes, you get to explore Irish culture! I cover lots of really interesting topics about Ireland itself as well as its many monuments!

Some of these include:

The Book of Kells

Gaelic Football

Irish myths and legends

Newgrange

Irish Films

Irish Music

As a part of our study we watch films; this year we are watching some Irish animated classics such as; Song of the Sea, The Wolf Walkers and The Secret of Kells. We also explore Irish music icons such as; Hozier, Sinead O'Connor, U2 etc.

In between all of that learning, we also talk a lot about different interests and take the time out to play some games together!
